

WARNS AMERICANS TO LEAVE MEXICO

All Mexican Officials Will Be
Held Responsible for Harm or
Injury Done Americans

NEUTRAL STAND NECESSARY

In Message President Wilson Announces
Necessity for Policy of "Hands Off" by
The U. S. to Await Mexico's Awakening

MORE TROOPS MAY BE SENT TO BORDER

BULLETIN.

SAN ANTONIO, Texas, Aug. 27.—One troop of the third cavalry and a battery of the third field artillery were rushed from Fort Sam Houston to the border tonight upon orders from war department at Washington. Two special trains were made up on two hours notice.

The artillery men were sent to Laredo, Texas and the cavalrymen to Brownsville. Attention was called to the fact that opposite Laredo there is a Mexican federal garrison across the border from Brownsville the constitutionalists hold forth.

In addition about 1,000 men are in readiness to leave Fort Sam Houston. Railroads have promised to have equipment on hand to accommodate 500 men and horses in 36 hours.

WASHINGTON, Aug. 27.—President Wilson tonight warned all Americans to leave Mexico at once. At the same time the American embassy and all consular representatives throughout the southern republic were instructed to "notify all officials, civil and military in Mexico" that they would be held strictly responsible for harm or injury done to Americans or their property.

Secretary Bryan dispatched long telegrams to the embassy and all consular representatives quoting extra acts from the president's address to congress today in which he reviewed the futile peace negotiations with the Huerta government and the policy of the United States would pursue hereafter toward Mexico.

In this message the consuls were instructed to render every aid possible toward Americans, furnishing transportation or other assistance to the needy. They were informed that a sufficient number of ships would be provided to carry away those in the seacoast towns.

Foreign Powers To Be Notified
Foreign governments will be notified of the action of the United States so that they may give similar advice but the Americans consuls will help all foreigners in any emergency.

Withdrawal of Troops Expected
Within a day or two an announcement is expected of the mobilization of a large number of American troops along the Southern frontier to enforce neutrality in the traffic of arms and munitions of war. President Wilson was in touch with assistant Secretary Breckenridge of the war department tonight but the nature of his communication was not revealed. It is believed that the president is not only preparing to strengthen the border patrol but desires the strictest vigilance by troops already watching the international boundary. Secretary Garrison of the war department it was announced tonight will be in New York next Wednesday to confer with Francis Burton Harrison, but it was said at the white house that his return to the east from his western inspection trip was not prompted by any prospective troop movements. These developments followed close upon the reading by President Wilson of his address to congress today in which he outlined the policy of the United States toward Mexico as one of absolute non-interference and strictest neutrality. The president held out hope for a resumption of negotiations and ultimate success of a policy of persuasion backed by the moral force of the governments of the world. First results of the president's opinion were apparent tonight when Secretary Bryan announced the receipt of a message from John Lind now at Vera Cruz stating that Minister Gamboa had sent a new note. Secretary Bryan described the situation as "encouraging" and commented on the fact that he had for several days used the word "unchanged." The secretary said that while the Lind message contained only a summary of the Gamboa note, sufficient to encourage him, Mr. Bryan added that the Gamboa note was in reply to the supplementary suggestions made by Mr. Lind before leaving Mexico City for Vera Cruz.

Wilson Pleased With Reception.
The president was informed of the late developments, but offered no comment. He was particularly pleased tonight with his reception in congress. Not only from the applause that greeted him as he began his address and at its conclusion but through the personal congratulations. President Wilson felt assured that he had behind him the undivided support of congress irrespective of political party. The president had an informal talk with Senator Root, Republican, in the speakers room just before he was escorted to the house rostrum and learned that the New York senator soon would make a speech in support of the administration's policy.

Mr. Root's utterances are calculated to attract attention in Latin America because of his tour there

a few years ago as secretary of state.

WASHINGTON, Aug. 27.—President Woodrow Wilson went to congress today and revealed how the Huerta provisional government in Mexico had rejected the friendship of the United States and its effort to aid in the establishment of peace and a government which could be recognized by this nation and which would be obeyed and respected by Mexico's own people. In a statement which breathed regret and sympathy in every phrase, the president clung tenaciously to optimism as to the ultimate result, notwithstanding the pessimistic facts confronting the two nations. After picturing the hopelessness for Mexico if she maintained her present position, "isolated and without friends who would effectually aid her," the president announced the necessity of a firm neutral stand by this government. He also voiced an urgent appeal for all Americans to leave Mexico and for the United States to aid them in every possible way but in emphatic language, served notice upon those who assume to exercise authority in the revolution-torn country that they would be held to a definite reckoning for losses and suffering of American citizens. The message of the president was received with enthusiastic applause by members of the house and senate gathered in joint session in the house chamber and tonight the machinery of the government is in motion for making effective the policy of neutrality and "hands off" while the warring factions continue their struggle. To prevent the shipment of arms or munitions of war into any part of Mexico or to any action, for United States troops on the border already have been warned to exercise increased vigilance. Whether more troops will be sent to the border is a question to be determined within the next few days. Major General Wood, chief of staff of the army, who has been inspecting the troops in Texas, already is on his way to Washington. General Wetherspoon, attached to the office of the chief of staff said tonight that much would depend upon the experience of the next few days on the border in determining upon the order for more troops. Secretary Bryan planned to confer with President Wilson early tomorrow on the subject and the assurance was given that everything necessary would be done to carry out strict neutrality. Secretary Daniels conferred with the president during the day and the navy department is ready to dispatch more ships to Mexican waters if required to prevent the shipment of arms to Mexico by sea.

May Order Out More Troops.

Foreign powers, it is understood tonight, have not been asked to place an embargo on the shipment of munitions of war or arms to Mexico, but the president in his message asserted that this government had been given the generous moral support of foreign nations in the proposals of the Huerta government which have been rejected. It became known that the administration has under serious consideration the ordering of several thousand more troops to the Mexican border line and it is said that cabinet members have urged that this be done.

The president's urgent request to Americans in Mexico to leave the country emphasized to congress the necessity for action on the recent report of Secretary Bryan for an appropriation of \$100,000 with which to aid citizens of the United States in their exodus from the zone of conflict. Such an appropriation is included in a deficiency bill now in the hands of the house appropriations committee and it is expected that action upon it will be hastened. The state department estimates that there are now in Mexico not more than 15,000 Americans whereas there were 60,000 several years ago in Mexico City, it is estimated that there are less than 2,000 Americans today.

No Change in Relations.

The diplomatic relations between the two countries, it is understood will remain as they are at present each country maintaining an embassy without official recognition, presided over by a charge d'affaires. Though the president made it plain in his message that all negotiations thus far have come to naught and the message of Foreign Minister Gamboa rejecting for the Huerta government the American proposals, left no room for doubt as to the situation, the way is open for future negotiations either at the initiative of Mexico or the United States. Meanwhile Nelson O'Shaughnessy will remain in Mexico City in charge of the American embassy. John Lind, the president's personal representative still is in Vera Cruz and probably will remain there as long as there is any possible chance for a renewal of negotiations. In his message which was in the nature of an appeal to the moral forces of this and foreign nations, the president made it clear that he based his hopes upon the effect the announcement of this government's policy will have upon the people and the governments of other nations but upon the people of Mexico themselves. Now that the United States has exhausted the effort to bring about peace and a stable government in Mexico the president believes that this government's example to the world will avail great good in the end.

The steady pressure of moral force, said President Wilson, "will before many days break the barriers of pride and prejudice down and we shall triumph as Mexico's friends sooner than we could triumph as her enemies—and how much more handsomely, with how much higher and finer satisfaction of conscience and of honor."

The president told congress that everything this nation did in the situation confronting it must be "rooted in patience and done with calm disinterested deliberation."

LOBBY COMMITTEES CONTINUE SEARCH

DEFENSE FOR McDERMOTT HAS INNING
BEFORE HOUSE COMMITTEE

Attorneys Cross Examine McMichael and Introduce Many Witnesses to Contradict Testimony Against Representative McDermott—Emery Concludes Testimony Before Senate Committee.

WASHINGTON, Aug. 27.—Lobby investigation continued on both sides of the capital today. Before the house committee the defense for Representative McDermott of Illinois, charged by M. M. Mulhall and J. H. McMichael with corruption and misconduct, had its inning, attorneys for McDermott concluding the cross examination of McMichael and introducing a dozen witnesses to contradict testimony against their client.

Attorney Eishy-Smith, for McDermott, took the stand himself and contradicted various statements of McMichael. J. P. Bird, general manager of the National association of Manufacturers, testified concerning the presentation of a letter of introduction to him from Mulhall by McDermott and said the congressman tried vainly to get him to arrange for credit for an aeroplane venture.

James A. Emery, Washington, representative of the N. A. M., practically concluded his testimony before the senate committee. He denied that his association was affiliated with the anti-boycott association or similar associations.

He admitted on cross-examination that he had been mistaken when he testified recently that he had little to do with the employment of former Representative James E. Watson to work for a tariff commission.

Senator Reed read several letters written by Emery showing he took an active part in the negotiations preceding Watson's employment. Emery said he had forgotten.

No Rebuke for Mexico.

He had no word of rebuke for Mexico and reached the determination to maintain strict neutrality after having presented the whole situation to the members of the foreign relations committee in congress. Not an essential detail did the president withhold in his presentation of the case for the public pressing also to the world the reply of the Mexican government to Mr. Lind in which Senator Gamboa refers to the American proposals as "humiliating," denies the representation by President Wilson that Mexico had not made progress toward peace and though expressing appreciation of the avowed friendly intent of the United States declares that "if such good offices are to be of the character of those now tendered us we should have to decline them in the most categorical and definite manner." Everything that Mexico had said to this government in response to the proposals was made public, including the Huerta alternative that nothing could be welcomed except unrestricted recognition of his government. After he had concluded his message and listened to the applause which greeted it, the president turned toward the white house to await its effect. He believes that it will be beneficial.

No Word From Mexico.

Mexico City, Aug. 27.—The Mexican government is very silent on the message which the president of the United States read before congress today, outlining the situation in this republic and the attitude of the United States. The minister of foreign affairs, Federico Gamboa, was advised by private messages of the delivery and the contents of the message. He declared this evening that the officials of the Mexican government had no comment to make.

"We are authorizing," said the minister, "the publication of the original notes exchanged, which I understand are contained in President Wilson's message and the further publication of the two supplementary notes, the latest of which was sent to Mr. Lind at Vera Cruz last night. They speak for themselves. They are the only comment we have to make."

Causes No Change in Stand Taken.

Officials say the attitude of the United States will cause no change in the stand which Mexico has taken. A cabinet minister said today that General Huerta was determined not to quit office and that the summoning to the capital of General Trevino had nothing to do with a change in the presidency. Huerta seems to believe that the perfication of the country can yet be accomplished by him.

The minister of finance professes faith in the happy outcome of the proposed loan of \$20,000,000 from British banks.

Present Facts in Controversy.
Mexico City, Aug. 27.—Without comment, Federico Gamboa, the minister of foreign affairs, presented to the standing committee of the Mexican congress tonight all the facts in the controversy between Mexico and the United States.

The congressmen comprising the committee received facts without comment other than that indulged in as individuals after adjournment. Unless there are new developments it is improbable that discussion even of a private character will continue long.

Senator Gamboa insists that the negotiations are not entirely concluded and should they be it is probable that soon the entire affair will be regarded as a closed incident.

VICTORIOUS OVER NEW YORK OFFICIALS

Harry Thaw Wins Three Distinct Victories Over the
Authorities of New York

RECEIVES GREAT OVATION

Townpeople of Sherbrooke Cheer Thaw
When Judge Refuses to Allow Counsel
for N.Y. to Take Part in Proceedings

GENERAL EXODUS FROM SHERBROOKE

SHERBROOKE, Que., Aug. 27.—Harry K. Thaw won three victories over the New York state authorities today and was locked tonight in the Sherbrooke jail, immune for the time being from the Dominion immigration authorities, after having received an ovation from the townspeople of Sherbrooke that would have done honor to a prince of royal blood.

So riotous was the scene in the superior court when at the morning session Judge Arthur Globsensky refused to allow counsel representing New York state to be party to the proceedings, that the court subsequently warned spectators that a repetition of the cheering, chair-climbing, handkerchief-waving and general hysteria, would mean jail sentences for the demonstrators. Speaking from the bench at the afternoon session he said that never in his experience as a member of the bar and of the bench had he been a witness to such a "disgraceful scene."

It was carried out in the presence of court attendants and four armed Dominion police, who stood immobile while emotional women rushed toward Stanford White's slayer crying:

"Three cheers for Thaw; we will give you justice, Harry."

Many Leave Sherbrooke.

Tonight with Thaw's term of confinement indeterminate and the key to the riddle unfound, there was a general exodus of those who rushed hither after the fugitive's sensational escape from Matteawan. William Travers Jerome, former prosecutor of Thaw and specialist on matters pertaining to his life, tonight left for Quebec accompanied by Franklin Kennedy, deputy attorney general of New York.

Either tonight or tomorrow will depart District Attorney Conger and Sheriff Hornbeck of Dutchess county, Supt. Keib of Matteawan, John E. Mack, former district attorney of Dutchess county, and with him sheriffs and deputy sheriffs of Vermont and New Hampshire, who were ready to seize Thaw in event of his deportation. Messrs. Jerome and Kennedy will confer in Quebec with the attorney general of the province in the hope that he, as the province's chief officer of the crown, may be able to open the legal lock that holds Thaw in jail.

The three points in which Thaw's lawyer's were successful in the first legal skirmish were:

1. New York state was denied the right to be party to the proceedings in court.

2. Counsel for the state failed in their efforts to have Thaw arraigned before a magistrate and the commitment on which he is held quashed. This would have released him to the immigration officers.

3. Judge Globsensky granted the plea of Thaw's counsel for a discontinuance of the writ of habeas corpus which might have brought about his release today. This remedied a strategic blunder made last week by Thaw's attorneys who apparently did not realize then that in seeking their client's release they were playing into the opposition's hands.

Thanks Canadian People.

From his cell tonight Thaw issued a statement thanking the Canadian people for their sympathy and criticizing the officials of New York.

The unexpected burst of sympathy in Thaw's behalf came when Judge Globsensky declined to allow Samuel Jacobs of Montreal, chief counsel for New York, to submit arguments against the discontinuance of the habeas corpus writ.

From the back of the court room, came the cry:

"Give him fair play." A woman screamed and the crowd surged forward.

Thaw responded to the demonstration with profound bows but retreated as the court room throngs swept toward him. The prisoner sought refuge in the ante-room used by newspapermen and soon afterwards was on his way back to jail. When court re-assembled this afternoon the crowd arose as the judge took his seat, a hush fell over the room. Then the court rebuked the crowd for the demonstration at the morning session.

Next Move up to New York.

In the face of the judge's warning not a sound escaped the crowd when the court sustained Thaw's counsel in their contention that they were within their rights in withdrawing the writ of habeas corpus. The court held, in brief, that a man may discontinue any proceedings he has undertaken in his own behalf, provided that there is no specific law forbidding it. Opinion differed to-day as to whether this meant that Thaw would remain in jail until some high Dominion official inter-

GOV. BALDWIN URGES STATE REGULATION

WOULD HAVE STATE REGULATE NOMINATIONS THE SAME AS ELECTIONS

Connecticut Executive Would Also Have the State Pay Part of the Candidate's Expenses so That Everyone Who Wished Might Enter Politics.

COLORADO SPRINGS, Colo., Aug. 27.—State regulation of nominations the same as of elections was urged by Governor Simeon E. Baldwin of Connecticut in an address before the governor's conference here this afternoon. Governor Baldwin proposed that the states experiment in the matter of nominations, so that everyone who wished might enter politics.

Among the items Governor Baldwin would have the state pay are for printing and distribution of ballots, traveling expenses of candidates and speakers in his behalf and expenses incidental to his election. The cost of circulating petitions and expenses of a personal nature, he would have the candidate pay.

State Should Bear Expenses.
Just as the state bears the expenses of conducting elections so it should bear the expenses—or most of them—of candidates for party nominations at the primaries, in the opinion of Simeon E. Baldwin, governor of Connecticut, who addressed the governors' conference today.

Here is the list of candidates' expenses which Governor Baldwin would have the state shoulder:

Printing and distribution of ballots and other papers required by law.

Traveling expenses of the candidates to and from appointments for meetings incident to the campaign, whether public or private.

Traveling expenses of speakers in their behalf to and from public meetings.

Copying poll or registry lists.

Providing challengers.

"The burden of these legitimate expenses, in most states, falls on the candidate for nomination and deters the poor man from entering the political lists, unless he puts himself under what he would be apt to deem an obligation to those who supply him with the necessary funds."

"The government must have a right," Governor Baldwin said, "in self-defense so to regulate the making of nominations, whether by party conventions or primaries or by direct primaries of the whole people, as not to dictate the choice, but to assure that it fairly represents the choice of those who make it. The state must have a right, if the people are satisfied that such nominations by a party convention or primary can be replaced by another mode of proceeding which gives them a better opportunity to make their wishes prevail, to institute this other mode. And what the state can institute it can protect."

There are certain items of candidates, expenses which, in Governor Baldwin's opinion, it would be unwise to have the state pay. Among these are mentioned the cost of circulating nominating petitions and of hiring transportation for voters to polling places. The one, Governor Baldwin asserts, has shown that many persons sign such petitions without intending to vote for the candidate they thus help to place in nomination; the other could be made unnecessary by establishing more polling places.

Hall rent and a candidate's personal travel, postage and telegraph bills, might properly be borne by the state as well as other items, Governor Baldwin asserted.

Says Idea Impracticable.

Gov. O. B. Colquhoun of Texas precipitated a lively discussion of the subject when he declared that the idea is farcical and altogether impracticable. He stated that it cost him \$16,000 to get elected, of which he paid \$7,000 and his friends \$9,000.

"Did your friends expect to get their money's worth?" asked Governor Carey of Wyoming.

"You bet your life they are getting their money's worth," hotly retorted the Texas governor.

An executive session was held at conference headquarters at the discussion of the afternoon was continued tonight.

COUNSEL ANXIOUS TO RUSH CAMINETTI CASE

INTEREST THAT CHARACTERIZED
DIGGS' TRIAL IS LACKING

Four Railroad Men Testify at First Day's Hearing—Lola Norris Will Take Stand Today to Give Practically the Same Testimony as She Gave in the Case of Diggs.

SAN FRANCISCO, Aug. 27.—With no crowd storming the court room doors for admittance, the trial of F. Drew Caminetti charged with violation of the Mann white slave act, proceeded today before the jury that was selected before the morning session ended. The interest that characterized the trial of Maury I. Diggs, companion of Caminetti, was lacking and counsel seemed anxious to hurry the case. Lola Norris, the Sacramento girl Caminetti is accused of enticing with Marsha Warrington, her chum, to Reno, Nevada, will take the stand tomorrow, it is expected. Theodore Roche, assistant United States district attorney, said today that her testimony would be identical with that given in the case of Diggs.

Diggs took a seat next to Caminetti today. The attorneys for Caminetti, the same who defended Diggs, requested him to leave and he retired to the corridor.

Before adjournment a comment was made by Judge Van Fleet bearing directly upon Caminetti's responsibility in the Reno trip.

Counsel for the defense, in objecting to questions seeking to show that the defendant had participated in arranging and conducting the trip, said that members of the train crew and the ticket agent who had testified failed to connect Caminetti with the purchase of the tickets.

"It is not necessary," said the court in overruling the objection, "to show that the defendant handled the money or made the purchases. Certainly, if the government proves that he was in the party under the circumstances they have set forth it is sufficient showing to develop the connection of the defendant with the transaction."

Four witnesses testified today. They are R. J. Simon, the ticket agent at Sacramento; M. L. Jones, the conductor of the China Mail, the train upon which Caminetti and his companions rode to Reno on the morning of March 10th; C. H. Walbourne, the Pullman conductor who sold Diggs the drawing room ticket for the party of four, and S. A. Dedrick, the colored porter, who waited on the party and helped them on and off the train.

Representative Harrison introduced an amendment to permit any shareholding bank in the proposed reserve system to make reasonable charges for collecting and remitting checks and drafts. This was voted down.

Danville, Ill., Aug. 27.—A man believed to be one of the three robbers who shot and probably fatally wounded Constable Frank Rice of St. Joseph, Ill., while he was attempting to arrest three men at Glover Station suspected of having robbed a store at Sidney, was captured this evening three miles north of the latter place on the St. Louis branch of the C. & I. E. railroad. Constable Rice is in a critically condition at his home in St. Joseph with slim chances of recovery.

SPARKS FROM THE WIRE

ALBANY, N. Y., Aug. 28.—Lieutenant Governor Martin H. Glynn was formerly recognized as acting governor by the assembly early this morning after a bitter debate. The vote in favor of recognition stood 48 for and 29 against.

PANAMA, Aug. 27.—All steam shovel operations in Culebra cut proper will be discontinued September 15th, and between then and October 15th, when the water will be admitted all equipment and other material including thirty-six miles of track must be out of the nine mile channel between Gamboa dike and the Pedro Miguel locks.

NEW YORK, Aug. 27.—Eugene Berry Watt who for two years has operated "The National authors institute" here, was today arraigned in the United States district court on an indictment alleging fraudulent use of the mails and put under \$2,000 bail for trial.

ST. LOUIS, Mo., Aug. 27.—Eight persons were reported injured, two of them seriously when a scenic railway car left the track at the bottom of an incline at Creve Coeur Lake, a park near here today. The occasion was the annual fish fry of the United Railways Motorman and Conductors.

STUBENVILLE, Ohio, Aug. 27.—Six men were shot and two probably fatally wounded in a riot at the Pope Tin Mill tonight when Mill guards fired into 2,000 strikers who threatened to rush the mill. Chief of Police Frankhauser, was hit in the head with buckshot.

CHARLOTTE, N. C., Aug. 27.—Three negroes were placed in jail at Jacksonville today following a pitched battle between Sheriff Poinexter and a posse and a band of negroes, who had rescued from a constable near Huntsville a negro who had been arrested on theft. In the fighting one negro was killed and another was probably fatally wounded. Further race trouble is feared.

DEPLORES DELAY OF CURRENCY MEASURE

Underwood Asserts Bill's Delay Is Caused Through Absence of Democrats from the Caucus

DEFEAT ALL AMENDMENTS

Caucus Votes Down Amendments Introduced by Rep. Harrison and Rejects Substitute Offered by Rep. Henry of Texas

SENATORS DEBATE THE INCOME TAX

WASHINGTON, Aug. 27.—Representative Underwood, Democratic house leader tonight issued a statement deploring the delay the administration currency measure has met in the Democratic caucus through the absence of a sufficient number of majority members to bring the measure to a final vote.

"I regret to say," said Mr. Underwood, "that the administration currency bill is being delayed in the caucus solely by the absence from the caucus of Democratic members of the house, whose duty it is to be present and enable the legislative business of the country to proceed."

"I hope the absentees from the present Democratic caucus will realize the embarrassing position in which they have put the administration measure and will attend the caucus at 11 o'clock tomorrow and remain until the bill is completed."

Mr. Underwood supplemented this statement by declaring that he was confident that fully 90 per cent of the Democratic membership was favorable to the measure as it now stands and that the absentees were merely actuated by a desire to avoid long discussions over comparatively unimportant items.

Rejecting all objections offered without the approval of the banking and currency committee, the house Democrats, in caucus today, carried the administration currency bill further along toward final approval.

Defeat Amendments.

Representative Harrison introduced an amendment to permit any shareholding bank in the proposed reserve system to make reasonable charges for collecting and remitting checks and drafts. This was voted down.

Representative Henry of Texas offered a substitute for the entire note issue section of the Shaffroth bill, which would retire national bank notes, gold certificates and outstanding United States notes and establish a government currency with a 50 per cent gold redemption fund. He said his purpose was to keep the reserves of the country banks at home. The proposition was rejected. The caucus adjourned until tomorrow.

Democratic members of the senate currency committee spent the day reading and discussing the provisions of the bill. Thus far the committee has given no definite consideration to amendments.

Predict Gallinger's Defeat.

In a verbal tilt, marked by bitterness on both sides Senator LaFollette today predicted the retirement of Senator Gallinger of New Hampshire, the Republican leader and others of "his type" because of their alleged failure to adjust themselves to changing industrial conditions. The colloquy followed Senator LaFollette's declaration that Republican senators who were voting against heavier income tax on big incomes included many who had "always opposed the establishment of any income tax." He was commenting upon the defeat of the Bristow amendment, proposing a tax running up to 10 per cent on incomes of \$100,000 and against which thirteen Republicans and the solid Democratic side had voted.

"There is a new day coming in this country," said Senator LaFollette, "and the Republican party will not see it then its place will be taken by some party that will."

"It is true that the Republican party has been put out of power by some men who sympathize with the senator from Wisconsin in his extreme views," retorted Senator Gallinger.

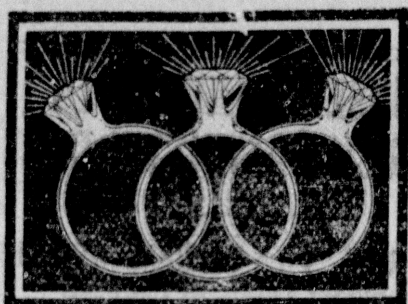

"The Republican party has been put out of power by the people of this country who sympathize with the views which I am now expressing," cried Senator LaFollette, shaking his hand, "and they will put more men out of the senate of the type of the senator from New Hampshire before we get through with the disposition of these issues."

Defeat Bristow Amendment.

The defeat of the Bristow amendment by a vote of 48 to 16, came at the end of a debate during which many Republicans had urged a heavier tax on the larger incomes of the country. The Democrats voted solidly against the change as they had done in the case of the Borah amendment yesterday and were joined by some Republicans.

Senator Hitchcock of Nebraska today introduced his proposed amendment to the tariff bill to levy a graduated tax upon corporations for the purpose of curbing monopolies and breaking up trusts. This represents a plan that has many supporters in both parties and a strong effort will be made to have it incorporated in the tariff bill.

WOODLAND PLAYERS
TODAY'S ATTRACTION

STRONG PROGRAM FOR DRAMA DAY.

Illinois Glee Club and Address by Mrs. Leonora M. Lake Features of Yesterday's Entertainment—Chautauqua Growing in Popularity and Crowds Increasing.

TODAY'S PROGRAM.

9:00. Boys' and Girls' club.
10:30. Physical Culture Hour.
"Exercise For the Stomach and Liver"—Miss Margaret Hemenway.
1:30. Concert—Jeffries Concert band.
2:30. The play, "The Taming of the Shrew"—The Woodland Players.
3:00. Church series, "Why Folks Don't Attend Church," "The Preacher's Fault"—Dr. S. H. Zandt.
7:00. Concert—Jeffries Concert band.
7:30. "The Cancer Problem." Frank I. Lutz, M. D.
8:30. "Mid-summer Night's Dream"—The Woodland Players.

Another successful day has been added to the history of the Jacksonville chautauqua of 1913 and a well satisfied throng left the gates last night with only words of praise for the bill of the day.

The boys' and girls' club held the boards early in the morning and were entertaining as usual. Following this came Miss Margaret Hemenway with a talk for women, her special theme for the hour being "How to carry yourself correctly." Her advice and suggestions were very valuable and all the ladies who had the pleasure of hearing her were well pleased and felt they had learned something that would be of use to them. Miss Hemenway is essentially practical and goes to the root of her subject leaving little to be desired when she leaves it.

The morning concert of the Jeffries band was excellent as is always the case. Several asked why get the famous Innes organization when we have such superior talent at home? Of course we want a variety but the work done by our home boys is par excellence and no mistake.

The Illinois Glee Club.

While all fine singers are entertaining there are many who like a male quartet and in the Illinois Glee club they surely were gratified. These talented young gentlemen have a fine repertoire from grave to gay. There is no mistaking the fact that the average man likes to laugh and would rather do that than almost anything else. The young gentlemen had humorous and pathetic songs; grave and gay and in addition they gave recitations that drew forth enthusiastic applause. Their work both afternoon and evening was fine and elicited loud praise from all who heard them.

The members are:

H. C. Cochran, first tenor.
B. M. Gotshall, second tenor.
J. W. Buzza, baritone.
B. F. Babcock, bass.

Mr. Buzza is well known to many in Jacksonville as he has been employed here for a time by a business house of the city.

The young gentlemen do chautauqua work in the summer and lyceum in the winter and have now 35 weeks booked for the coming season. As educationists and Swiss bell ringers they are certainly a success.

Dr. Aitken.

The third and last address of Dr. Walter Aitken was on "Ian McLaren and the Doctor of the old school." His effort was masterly as were the others and though it was the last on the afternoon program it was heard by an audience that was very gratifying. He gave a familiar talk on the famous divine who did so much to mold public opinion and said a fitting tribute to the worth and character of the great man.

Mrs. Leonora M. Lake was the prime attraction of the evening after the Illinois Glee club concert. The lady is a fine speaker and has a pleasant voice and stirring delivery. She was introduced by Mrs. Harriet Daniel, head of the Morgan County W. C. T. U., and at once proceeded with her address. She paid a pleasant compliment to the handsome surroundings, the park and the ones most intimately connected with its beginning. Her lecture was not simply directed against the use of intoxicating liquor but was a sensible plea for righteousness all around. She said a healthy child could not spring from the loins of a man addicted to the use of liquor and each child had the right to be born of sound, healthy parents. Our country is too much money mad; we are of unsound mind in our haste to get rich and it is time to call a halt. The most damnable gambling institution in the land is the board of trade which raises and lowers the price of the necessities of life and causes the poor to go hungry and cold. She was heard with profound interest and frequently interrupted with applause.

Notes.

Especially attention is called to the program for Friday.

First and foremost, in the eyes of so many, will be the baby show which should not be missed by any one. It is to be scientific and something that cannot fail to be of great value to all mothers and all interested in the welfare of the little darlings who are the light and life of our households.

The hours have also had to be changed somewhat as an additional feature has been introduced. All who are posted will agree that Bob Sears is well right peerless as a speaker to farmers and he is to talk Friday afternoon and to that end the program has been somewhat changed.

At 2 p. m. will come the church series and it is very desirable for all

to be present as Dr. Zandt will have something worth hearing. Following him will come the concert in which Jacksonville's favorite young man and musician, William Preston Phillips, vocalist, and Miss Clara C. Moore, violinist, will be conspicuous.

At 3:30 will be the lecture by Bob Sears on "How God made soil fertile" and he should be heard by a large audience.

At 4:30 special concert by the Jeffries band and at 5 o'clock the ball game.

Today the poultry exhibit will begin and Director Heimlich has made all preparations with his capable assistants for a good show. All should see the fine birds that will be on exhibition and give encouragement to one of the Morgan county's most important enterprises.

Attention is called again to the poultry exhibit today. Do not forget it by any means for it will be one thing of greatest interest to all who have chickens or want to have them. Dr. Lutz' lecture should be heard by a large audience. The learned gentleman is an authority on cancer and what he has to offer will be valuable to all.

Mrs. Genevieve Clark Wilson was at one time vocalist with the famous Innes band organization.

George S. Beekman had the pleasure yesterday of taking Mrs. Lake, the lecturer, to and from the grounds.

CARNIVAL VISITORS AT

SALT LAKE.

Salt Lake City, Utah, Aug. 27.—Throng of visitors, among whom are many tourists from the East, are in the city for the carnival of the "Wards of the Wizard of the Wasatch." The regular programme of festivities will be opened tomorrow and continued through the remainder of the week. A number of brilliant street parades and pageants will be given. A street fair, society circus, hippodrome events and athletic and aquatic contests also will be included in the programme. The number of visitors already here indicate that the crowds later in the week are likely to be the largest ever entertained in this city.

LEFT FOR WESTERN HOME.

Rev. H. H. Mitchell and family left last night over the Alton for Kansas City, where they will take a train which will carry them to Seattle without change. They will arrive there Saturday and remain until Monday, when they will go to Colfax, which is to be their home. Mr. Mitchell said yesterday that he had just learned that J. F. Hargrave, a former student of Illinois college, is principal of the high school at Colfax and the treasurer of the church he is to serve.

MR. DAVIS IN COLORADO.

Word has been received from the Rev. and Mrs. L. H. Davis, now at Colorado Springs, Colo. They have been pleasantly located near that city and have fully enjoyed the cool weather of the mountains. They expected to leave Colorado Springs Wednesday for Denver, making a stop there, so in Boner, and then visit friends in Cheyenne, Wyo. They will then return to Denver and leave there so as to be home on Wednesday next.

He will thus be able to preach in Westminster on Sunday week.

Woman Is As Old As
She Looks

No woman wants to look old. Many in their effort to look youthful resort to the "beauty doctor's" prescriptions. Their mistake is that they visit the wrong department in the drug store. Beauty depends upon health. Worry, sleepless nights, headaches, pains, disorders, irregularities and weakness of a distinctly feminine character in a short time bring the dull eye, the "crow's feet," the haggard look, drooping shoulders, and the faltering step. To retain the appearance of youth you must retain health. Instead of lotions, powders and paints, ask your druggist for

WANT PERMANENT ORGANIZATION**CHAUTAUQUA COMMITTEE HOLDS IMPORTANT MEETING.**

Statement Made to Public Relative To Continuation of Enterprise on Firm Financial Basis—Motion Carried To Solicit For Tickets For Next Year at \$2 Each—New Building a Possibility.

The committee appointed to confer regarding a permanent chautauqua organization met at the headquarters tent at seven last evening. There were present Bernard Gause, Jas. Shaw, George S. Beekman, Frank Byrns, Dr. C. E. Black, Mrs. David Read, Dr. H. Rammekamp, S. W. Nichols, Frank J. Heint, J. J. Reeve, Charles L. Mathis, Judge E. P. Brockhouse, A. C. Rice and Paul B. Fritchey.

Dr. C. E. Black was chosen chairman and S. W. Nichols, secretary. The chair said the question now was whether the chamber of commerce would manage the chautauqua next year or whether the enterprise would be given over to or taken up by a permanent organization. The chamber of commerce has a contract with Jas. Shaw for three years, leaving one year yet but that gentleman said he would as willingly deal with a permanent organization as with the chamber of commerce should such an organization be formed. He also favored the idea of a permanent organization. He suggested two plans: one was to ask for direct subscriptions and the other was to form a stock company with shares at an amount to be agreed on and the possibility that some dividends might be forthcoming in the future should the affair prove profitable though of course a person would subscribe with the idea of helping along the enterprise and not with the expectation of getting much back.

C. L. Mathis suggested that it would be better, if a company was formed and a building erected on Nichols park, to have all profits go to the park board for improvements.

J. J. Reeve thought the affair should not be managed with the idea of profit.

Bernard Gause said it would be wise to have a fund for in case of bad weather a chautauqua would be a financial failure.

Frank J. Heint said it was all important to get all the stock possible taken in the country so as to have the whole county interested in the enterprise. Many people from the county and smaller towns had attended and they should be encouraged to keep on.

Frank Byrns suggested that it might not be wise to erect a building on Nichols park for some future board might not be favorable.

S. W. Nichols said the present park board was most favorable and he thought there would be no trouble on that score.

Bernard Gause said that matter had been fully settled in the past and there would be no trouble.

J. J. Reeve thought stock should be subscribed for as far as possible and then the subscribers could meet and arrange for permanent organization hereafter.

Bernard Gause made a motion that at once season subscriptions for tickets at \$2.00 each for next year be solicited and that purchasers be asked to state whether they would probably camp on the grounds next year or not. Also that subscriptions for shares of stock of five dollars each be at once solicited. Carried.

It was understood that should the effort to secure a sufficient amount of stock subscriptions fail then the chautauqua next year would be managed by the chamber of commerce as it had been twice already.

Mr. Fritchey already was instructed to have blanks printed at once in conformity with the motion of Mr. Gause.

Frank J. Heint suggested that he believed the idea of reserved seats a good one tending to bring in more money.

It was stated that this meeting was only preliminary and then when organization is effected then all the stockholders would have a voice in the management of the enterprise, the election of officers and the welfare of the institution generally.

Judge Brockhouse moved the chair appoint a committee including the chair to formulate the ideas of the meeting and name the sum they deemed wise to ask for. Carried.

The committee consisted of Dr. Black, Judge Brockhouse, Bernard Gause and S. W. Nichols.

It was a general opinion that a permanent structure should be erected on Nichols park, that a permanent organization should be formed and the matter pushed as rapidly as possible.

The question of the location of the building was brought up and S. W. Nichols for the park board said that organization would do all in its power to favor the chautauqua for all were friendly to it. He said he thought the best place would be by the railroad track just north of the lake. The street railway might be constructed into the park and in that case the cars would run right along side the permanent structure.

The general committee adjourned and the sub committee met at once and discussed the matter. Mr. Shaw was called in and said he would not favor a building too large. He thought one holding 2,500 persons plenty large enough as many could stand just outside and get what was going on within all right.

Statement to Public.

The committee then agreed to the following statement to be placed before the public.

The reorganization committee for the 1914 chautauqua believe that our experience in conducting this enterprise for this county the past two years justifies our belief that the people of this city and county desire that it be continued upon a permanent basis. A permanent pavilion would be a very desirable feature for

continuing this splendid public enterprise and a suitable building could in our opinion be built for \$5,000. To raise this amount we suggest a sale of stock at \$5.00 per share. These stock holders to take over the management of the chautauqua.

This building would be a valuable addition to Nichols park if built upon this ground. We will again appeal for patrons for season tickets for next year and the immediate subscription for these tickets will determine the program for next year. The stockholders and season tickets holders will organize the chautauqua for 1914. We desire to secure the names of every one who expects to camp on the grounds next year as this will help the arrangement committee.

"LITTLE JEFF" SHARON ESCAPES FROM JOLIET PENITENTIARY

Leader of Band of Forgers Lets Self Down Wall With Garden Hose—Is Believed to be in Chicago.

Joliet, Ill., Aug. 27.—"Little Jeff" Sharon, a trusty in charge of the fan room, escaped from the Joliet penitentiary by crawling through a transom to the cell house roof and lowering himself to the ground with a garden hose last night.

Sharon was a leader in the Benton-Longpre band of forgers who are said to have stolen \$1,000 in South Chicago. Sharon's escape from the penitentiary was planned much after the method employed by Harry K. Thaw in his flight from Matteawan. All day Tuesday a big black automobile had made itself noticeable in Joliet. Soon after midnight the car disappeared. It is now known that it drove close to the east wall of the Joliet penitentiary. Sharon in a suit of black clothing he had secretly taken a few days ago from the clerk of the shipping department let himself down by means of the garden hose as far as it would reach. Then he dropped. Apparently he was hurt, for he lay stretched on the ground until a woman, having left the tonneau of the automobile, helped him to his feet. He was placed in the machine and whisked away. His escape was not noted until this morning. The man is believed to be hiding in Chicago.

PRACTICE RECORDS SMASHED.

Elgin, Ill., Aug. 27.—All previous practice records for the Elgin automobile speedway were smashed during tuning up for Friday and Saturday's races today, when Spencer Wishart in his Mercer was clocked on two successive laps at 6:16 for the eight and a fraction mile speedway. This gave him an average speed of 78 miles per hour.

SOUVENIR FOR G. A. R. VETERANS.

Chattanooga, Tenn., Aug. 27.—The average age of enlistment during the civil war having been 25, and the war having continued through four weary years, it stands to reason that most of the living veterans are now nearly 80 years old.

This indicates that for every veteran who is physically able to make the trip to the forty-seventh national encampment of the Grand Army of the Republic at Chattanooga in September, there must be at least twenty-five who can be present in spirit only.

Out of consideration for the tens of thousands who can not be present, the program committee, of the Chattanooga G. A. R. Encampment association, have arranged for advance publication of an edition de luxe of the official program. Commercialism is strictly barred—no advertising whatever appears in this volume. It contains photographs of the commander-in-chief, past commanders, officers of the many organizations allied with the G. A. R., department commanders, famous generals of the war, scenes on the battlefields and a variety of other items of great historical interest. The book is a gem of the engraver's and printer's art, costing nearly a dollar apiece. One copy will be furnished free of cost by the Chattanooga Chamber of Commerce to every bonafide visiting veteran to the encampment. Additional copies will be sold, including postage, at the nominal rate of twenty-five cents each. In its exquisite color scheme, wealth of historical interest and value as a guide to the encampment proceedings, the Chattanooga book eclipses every effort made by other cities. It will be ready for distribution about September 1, and copies will be mailed in the order that requests are received.

Arrangements have been made with County Clerk Boruff to send for these souvenirs and any one wanting a copy may leave him 25c before Sept. 5.

New fall coats, suits, waists, dresses and millinery arriving daily.

KENTUCKY DRILLS

The Kentucky force feed is a force feed in the strictest sense of the term, and it sows all seeds from flax to treated wheat, with unvarying accuracy. The range of quantities is very great and the operator is not obliged to sow a peck or a bushel every time a variation in quantity is desired. In fact, the Kentucky fluted force feed will enable the user to regulate the quantity to sow as low a fraction as a quart or pint. One slight movement of each indicator lever sets every feed on the drill. Call and take a look at them.

DON'T BE MISLED

Jacksonville Citizens Should Read and Heed This Advice.

Kidney trouble is dangerous and often fatal.
Don't experiment with something new and untried.

Use a tested kidney remedy.
Begin with Doan's Kidney Pills.
Used in kidney troubles 50 years.
Recommended here and everywhere.

A Jacksonville citizen's statement forms convincing proof.
It's local testimony—it can be investigated.

Mrs. Eva Martin, 902 Hackett avenue, Jacksonville, Ill., says: "I have taken Doan's Kidney Pills for several years and I know them to be a good, reliable remedy. When I have a pain in my back and my kidneys do not act regularly, I get Doan's Kidney Pills at Armstrong's Drug Store. They bring me great relief and I have no hesitation in saying so."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
Remember the name—Doan's—and take no other.

SNEEZING FOLK IN CONFERENCE

Bethlehem, Pa., Aug. 27.—Armed with atomizers, eye washes and eye cups, throat gargles and handkerchiefs limited in numbers only to the purses of the purchasers, several hundred sneezing men and women gathered in this little mountain town today for the opening of the 40th annual convention of the United States Hay Fever association. The association was organized to relieve hay fever sufferers wherever found, and the members are not a bit discouraged over the fact that no panacea has been discovered in the forty years of its existence. A number of interesting reports and addresses have been prepared for presentation to the present convention. Of chief importance will be an article by Prof. P. A. Maignen of Philadelphia, who attacks hay fever from the germ standpoint and who claims to have discovered that germs of identical character are found in cases of rose cold, hay fever and asthma.

Important to Dyspeptics.
Bear in mind that Chamberlain's Tablets improve the appetite, strengthen the digestion and regulate the liver and bowels. Just what you need. For sale by all dealers. Adv.

UNION VETERANS WILL THROUGH SOUTHERN CITY

Chattanooga, Tenn., To Be Host to National Encampment—Gathering There Indicates How War Wounds Have Healed.

Chattanooga, Tenn., Aug. 27.—When the Grand Army of the Republic meets here on September 15 for its 47th national encampment, it will be the first time in history that such an encampment is held in the real south. It is true, one national encampment was held in Louisville, but that city was really too far north and too far removed from the actual seat of war to be considered as part of the real south.

It is different with Chattanooga, the immediate vicinity of which was the scene of some of the bloodiest battles of the civil war, including Chickamauga, Lookout Mountain, Orchard Knob and Missionary Ridge.

Undoubtedly there was a time when the selection of Chattanooga as the place of gathering would have been fatal to the success of a Grand Army encampment. During the first fifteen or more years after the close of the war there was still enough of the intense popular feeling against the north left among the impoverished people of the south to make the selection of a real southern city as the place for holding a Grand Army encampment a matter of doubtful judgment. There would probably be no hostile demonstrations on the part of the southerners—southern hospitality would not have permitted that—but there would have been embarrassment on both sides and unavoidable friction. But time has worked wonderful changes.

The old time antagonism has been wiped out; great national problems, common national dangers have brought the north and south closer together; a clearer recognition of the mutuality of their interests cemented the fractures and comradeships in the camps and upon the battlefields of the Spanish-American war strengthened the bonds of friendship and loyalty between the north and the south more than anything else could have done.

It was no longer a matter of doubtful taste and judgment when it was decided to hold the forty-seventh annual encampment of the Grand Army of the Republic in this city, but a recognition of the fact that the chasm separating the north from the south is now closed forever. Instead of being embarrassed by the choice of their city the people of Chattanooga are delighted with the prospect of being the hosts of their former foes for a period of five days beginning September 15. Ever since the announcement of the choice was made the citizens of Chattanooga have outdone themselves in preparing with true southern hospitality for their visitors.

Since the war the membership of the Grand Army has dwindled considerably and in late years the attendance at the national encampments showed a marked decline. But there is every reason to believe that the selection of Chattanooga will have a stimulating effect upon the attendance and that the number of members and visitors at the coming gathering will greatly surpass that of many previous national encampments.

Correspondence received by Gen. Alfred Beers of Bridgeport, Conn., commander-in-chief of the Grand Army of the Republic, indicated extraordinary interest in Grand Army circles throughout the country in the coming encampment. The interest manifested is particularly great among the thousands of veterans who have taken part in the numerous battles in the vicinity of Chattanooga. Many of them have never had an opportunity to revisit the historic battlefields and they are high-

ly pleased at the prospect of returning as visitors to the scenes so vivid in their memories of the bloody war.

The preparations for the encampment are progressing rapidly and with enthusiasm. New features of entertainment, calculated to please the visitors, are constantly added to the program already overflowing with interesting and pleasing features. There will be visits to the famous battlefields around the city; fireworks and nightly signal fires on Lookout Mountain and the other heights in the vicinity, regimental and state reunions at various points on interest in the surroundings of Chattanooga, easily reached by street cars or automobiles; there will be hydro-aeroplane exhibitions on the Tennessee river, steamboat excursions and a sham battle at Chickamauga park.

Various auxiliary organizations of the G. A. R. will also hold their national gatherings during the encampment week and the city will be crowded with visitors during that week. There need be no fear, however, that the city will be unable to take care of their visitors. There are many capacious hotels available and the citizens will gladly open their homes to receive and shelter those who prefer quarters in a private house to hotel accommodations.

WILL GIVE \$5,000 TOWARD WATER SYSTEM.
Judge Harry Higbee, who has been interested for several years in obtaining a better water supply and system of water works for Pittsfield, has offered to contribute the sum of \$5,000 to the fund, the amount to be paid as soon as water is piped to the city from the bay creek bottoms, north of town. Several experimental wells were driven in these bottoms some years ago and it was decided that the supply is adequate and that the plan is perfectly feasible.—Pittsfield Republican.

VAUGHN STARTS RALLY IN SEVENTH WITH SINGLE.

Ruchbach and Vaughn Battle Six Inning to No-run Score—Cubs Pound Superba Hurler for Three Tallies in the Seventh.

Brooklyn, Aug. 27.—Jim Vaughn, the former New York American southpaw recruit, recently secured by Chicago from Kansas City, pitched shutout ball here today and Chicago won the third straight game from the locals by a score of 3 to 0. Vaughn and Ruchbach had a great duel up to the seventh, when Vaughn started a winning rally with a single to left. He went to second on Leach's sacrifice and after Evers had been passed, both runners scored on Ward Miller's triple. As Phelan grounded to Fisher, Miller was run down between third and home, but Saier came along with another triple that sent home Phelan with the third and final run.

EXTRA! SPECIAL EXTRA!

City Hall and Journal Ball Tossers
At Nichols Park Today.

A return game of baseball between the city hall employees and the young hopefuls from the Journal office will be "played" at 2:00 o'clock this afternoon at Nichols park diamond. It is rumored in all corners of the city that Mayor Davis has lost his job as master of the mound and will be given something easier; that a crackjack pitcher has been engaged by the city employees, and also that Charley Arenz has borrowed a blooded Irish setter to retrieve the balls as they whiz through the keystone territory. All these rumors "come as a shock" to the Journal team of coming champions, and, if true, arrangements will be made to borrow the crepe that now envelops the city hall. "Come out, you good people and take part in the last sad rites over the remains of the city employees as jugglers of the national pastime.

The Distiller half of the eighth, with the bases full and two out, Umpire Cusack decided that no balk was committed, but while admitting that he waved Fountain home, refused to permit him to return to third and called the side retired. It was first instance in the history of the game in this city where an umpire deliberately waved a player to his death.

EAGLES OUTCLASS
LUKEMAN BROS

TANDY WAS STINGY WITH HIS HITS.

Good Bunch of Fans Witness One-sided Game Which Gave 21 to 1—Eagles to Play New Berlin Friday.

The baseball game at Nichols park yesterday afternoon brought out a full house. It wasn't much of a game but served to amuse the crowd. The Lukeman's pitcher, Sloan, suffered from a bad case of stage fright in the first inning and passed the first four batters. This forced in one run and then Howard Woodman cleaned up with a two bagger which served to put the Eagles beyond reach, as Tandy was stingy with hits when they would have resulted in runs. The Eagles continued to whale the ball throughout the game and turned it into a joke. Mixed up with the fun there were some scintillating plays, particularly by Denny at second. The Lukemans did some hitting toward the end of the game but too late to be of much effect. Tandy got in a long three bagger in addition to pitching a nice game. Abell and "Happy" also figured in the extra base column while Sloan also made a nice double. The Lukeman's have one good hitter in Corbridge, who made three hits out of three times up. They play a snappy game but yesterday it was a case of being outclassed. The Eagles will take on a team of their own size Friday when New Berlin comes for a match. These games are proving to be of interest to Chautauqua visitors and next year a tournament should be arranged as one of the regular attractions, such as is done at Old Salem.

Summary.
Two base hits—Abell, Woodman, DeFrates, Sloan. Three base hits—Tandy. First base on balls—Off Sloan 6, off Tandy 2. Struck out—By Tandy 5, by Sloan 6. Double play—Denney to DeFrates to McCollister. Wild pitch—Sloan. Passed balls—Lonergan 2. Time—1:35.

Notes.
Denney displayed "pep" enough to last a week. One of his stops was a hair-raiser, and he got the ball over to "Mac" just in the nick of time.

McCollister plays a steady game at first. He figured in the hitting with three singles.

"Happy" DeFrates is the same old reliable wherever placed. He starred at short yesterday.

Clarke is the life of the team and works like a horse all the time.

Capt. Wheeler lines them over to first in a way that reminds one of Arthur Devlin at his best. Wheeler is a born ball player and could easily make good in professional ranks.

Abell's "Charlie Horse" didn't keep him from hitting it up on the bases.

Tandy wasn't exerting himself much. He pitched a steady game though.

CINCINNATI REDS DEFEAT
NEW YORK GIANTS 5 TO 1

Both Teams Secure Seven Hits But the Two Hits Made by Tinker, One a Circuit Clout, Drives in Four Runs.

New York, Aug. 27.—Cincinnati celebrated its last appearance in New York this season, by defeating the champions 5 to 1. Modera Brown held the locals to seven scattered hits. Cincinnati made the same number of hits off Fromme but made them count. Tinker drove in four of the Cincinnati runs.

SOME OFF-SIDE CHUTES.

President Jim Gaffney of the Braves is saying some mighty ugly things about Tom Lynch, the National league president. The Tammany sachem at the league meeting in New York last winter, by his vote, broke the tie that elected Lynch against the wishes of Murphy, Ebbetts, et al. The suspension of Captain Sweeney in the absence of Boston's manager, simply because he objected to a decision by an incompetent umpire, has caused Gaffney to keep hot the wires into the league president's office. He does not part his words in the matter of criticizing Lynch and his staff of umpires, and insists that instead of suspending players indiscriminately all season, Tom would have had the welfare of the game more at heart had he given a majority of his arbiters permanent leaves of absence.

All boxing engagements at Vernon, Cal., have been called off by Tom McCarey pending the result of a petition now in circulation for the purpose of calling the legislature into extraordinary session for the putting out of commission prize fighting in the state. The frequent warnings by the authorities have had little effect upon coast money-grabbing promoters until now, when it is likely the "gold-laying goose" will be sent to the shambles or a law drafted which will put boxing under control of a state commission.

Young Ralph Comstock was given the acid test in his first game in fast company and acquitted himself in tip-top style. He did not win his game, because the support accorded him by Detroit's infield bordered on the variety known only in the bushes. Shortstop Owen Bush being the chief contributor to his defeat.

Hugh Jennings, manager of the Tigers, notwithstanding the mandate of President Ban Johnson, has contracted with a chain of eastern newspapers to write a series of stories during the world's championship games. The irrepressible Hugh will not be allowed in the press stands, but will probably pitch a suitable perch upon the fence. Jennings can write, too, which is more than can be said for Cobb, Mathewson, Speaker and other alleged player-critics, whose "stuff" is always furnished by a syndicated staff of "club" sporting writers.

Bill Lange is becoming the "iron man" of the American association. Someone told Manager Carr that the "alderman" must be "worked" if he were to get results, and Carr has worked the ex-White Sox twice in three days, Bill losing both games.

Buck Weaver's error in the first inning on Tuesday broke the heart of a "green" pitcher named Scroggins, who Ted Sullivan picked up in the same territory from which Tex Russell had been ejected. Like Russell, Scroggins, like Tex, delivers them from the port side and is said to have everything Texas possesses—except the nerve.

George Davis, who was discarded by the Yankees and sent to Rochester, N. Y., has been signed by Stallings for the Boston Nationals.

Rollie Zeider has conquered his bunions and is now putting up a peach of a game at short for Chance. And by the way, that wonderful "young blood" of which there was so much glib talk a few weeks ago is not showing up as well as touted in the Yankee line-up. Maisel, "the \$19,500 beauty," has yet to develop considerably to earn 30 cents of that big bank rolls. Cook, the Texas fielding wonder, has been an in-and-outter, getting a hit only now and then, while Jack Knight has replaced Williams, also of Texas, at the initial bag.

Governor Ralston has ordered two companies of state militia to be in readiness to Tommarshall the racing at Porter, Ind., if the county officials do not clamp down the lid upon the pencils at the track immediately. Later—Since the above was put in type the militia has moved upon the race track except the horsemen and stable attaches. Another jolt for the surething in the races.

THE WORLD'S LATEST FINANCIAL AND MARKET NEWS

SLUMP FOLLOWS WILSON'S MESSAGE

MEXICAN SITUATION CHIEF FAC- TOR CONTROLLING STOCK MARKET.

About an Hour After the Delivery of
the Message the List Begins to
Decline and Appeared to be Due
Largely to Selling by Bears.

(By Associated Press)
New York, Aug. 27.—Until the
last hour trading the stocks held
steady with a good undertone, al-
though fluctuations were narrow.

Such movements as occurred were
mostly upward, with specialties, in-
cluding American Ice, American Agri-
cultural Chemical, People's Gas
and Sears-Roebuck in the lead. To-
ward the close of the day several
points of weakness appeared. Union
Pacific, Reading, Lehigh Valley, New
York Central, Canning, Smelting and
various other stocks fell off 1 to 2
points and the whole market was
heavy at the close.

Mexican affairs retained first place
in the determination of stock mar-
ket sentiment.

After orders on hand at the open-
ing had been executed the market
settled down to await President Wil-
son's message and trading came al-
most to a standstill. Delivery of the
message produced no immediate ef-
fect upon prices. It was an hour
after the message had reached the
street before the list began to de-
cline. Despite this lapse of time,
it was the Mexican situation which
was cited as the cause. Smelting,
which has heavy interests in Mexico,
was the weakest stock among the
leaders. The slump appeared to be
due, however, less to any alarm over
the situation than to selling by bears
who put down simply because they
had not gone upon the delivery of
the message. Union Pacific's decline
was influenced by the unfavorable
July statement, showing a decrease
in net earnings of \$871,000. New
Haven again developed weakness in
the early trading, falling 2½ to a new
low record at 91½.

United States Express made an-
other low record by falling 8½ to
40½.

To Stop Scaling of Psoriasis

This Troublesome Skin Disease Promptly Checked by a very Simple Attention.

Classed with eczema, psoriasis has been considered one of the most obstinate of skin diseases. A lady in Lexington, Ky., says that before she began using S. S. S. the disease broke out at frequent intervals where she thought it cured. But by getting her blood under control by the influence of S. S. S., psoriasis entirely disappeared and there was never again the slightest sign of it.

Like nearly all skin diseases, psoriasis is primarily due to impaired blood. The skin is but a network of fine blood vessels. And it is a perfectly natural consequence that any influence in the blood that is a condition of ill health makes its first appearance in the skin. There is one ingredient in S. S. S. which peculiarly stimulates cellular or glandular activity to select from the blood or from this fine network of blood vessels in the skin, those elements which it requires for regeneration.

Thus pimples, acne, eczema, lupus, or any other blood condition that attacks the skin or seeks an outlet through the skin, is met with the antidotal effect of S. S. S. This is why skin troubles vanish so readily and why they do not return. You can get S. S. S. in any drug store, but insist upon having it. Take no chance by permitting anyone to recommend a substitute. And if your blood condition is such that you would like to consult a specialist freely, address the Medical Dept., The Swift Specific Company, 182 Swift Bldg., Atlanta, Ga.

WATERMELON CLUB GAVE ANNUAL PICNIC

BIG CROWD ATTENDED FESTIVITIES AT WOODSON WEDNESDAY.

Horse Show and Special Contests Proved of Great Interest—Club Has Been in Existence Nineteen Years and Its Affairs Are in Flourishing Condition.

Down at Woodson Wednesday the Watermelon club gave its nineteenth annual picnic and horse show. That's enough to say for everybody knows that the Watermelon club never gives anything in this line without making ample preparations and seeing to it that the people are well entertained. Such was the case Wednesday and the great crowd in attendance enjoyed the day greatly in spite of heat and dust.

The bleachers were placed in the school house yard and people were able to be seated in the shade there during the greater part of the day and watch the show ring in some comfort. Nearby were the refreshment tents, where excellent burgoo soup, ice cream, fruits, candies, etc., were dispensed, to say nothing of the great number of delicious watermelons.

The judges of the show ring were George W. Craig of Woodson, Leonard Goacher of Manchester, and Joseph Stice of Jacksonville. The executive committee for the club included James Shelton, Charles Wilds, E. N. Adams, J. J. McAllister and E. N. Adams. They were assisted also in the arrangements by T. M. Whitlock and William Kitchner, who are also officers of the club. The men divided up the work and then chose other members to assist and they found all very willing to lend a hand and contribute to the success of the occasion.

The various events were for the most part closely contested and the judges had in a number of instances a difficult time in making decisions. The results were as follows:

All purpose farm team—Won by Fred Bateman, Roodhouse. Prize \$2, given by Watermelon club.
Best draft mare—Won by Maurice Seymour. Prize \$1.50, given by E. A. Whitlock, Murrayville.
Best draft colt—Won by Maurice Seymour. Prize \$2, given by the club.
Best roadster colt—Won by W. B. White, Woodson. Prize \$2 by club.

Best mule team—Won by Lennie Crouse, Murrayville; second, Lennie Crouse; third, C. C. Self & Son.
100 yard dash—Won by Tom Hawks, Midway. Prize box cigars, Benson Bros.
50 yard dash, boys under 15—Won by Raymond Whitlock, Woodson; second, Guy Harney, Woodson. Prizes 75c and 25c by T. M. Whitlock.
100 yard dash, men over 21—Won by Joe Schy, Jacksonville. Prize box cigars, E. D. Pyatt.
Auto coming longest distance—Won by J. B. Cooper, Concord; second, Frank Foster, Alexander. Prizes, new batteries, Kehl & Son; second, 5 gallons gasoline.
Auto bringing largest number—Won by B. F. Rawlings of Clements; second, Newton Woods, Franklin. Prizes, Trouble lamp, L. F. O'Donnell; 5 gallons gasoline, C. J. Craggille.
Oldest lady on grounds—Won by Mrs. J. W. McAllister, Sr., Woodson. Prize \$1, by C. D. Irlam.
Oldest widow keeping house—Mrs. Lewis, Jacksonville. Prize 10 bu. coal, J. R. Henry.
Largest family on grounds—Won by Mrs. Jesse Butler, seven members. Prize, year's subscription to Murrayville Tribune.
Shetland pony show—Won by Stella McCurley, Woodson; second, Raymond Galloway, Murrayville; third, Fred Cain, Jacksonville; fourth, Floyd Fitzsimmons, Woodson. Prizes 75c and 25c, by Myers Bros.
Best decorated auto—Won by Lawrence Henry, Woodson; second, Miss Eva Baxter, Woodson. Prizes tall lamp by D. E. Estaque, box candy by Ehnie Bros.
Best single roadster gelding—Won by John Wilkinson, Woodson; second, Amos McCurley, Woodson; third, Samuel Challiner, Joy Prairie. Prizes, first, \$5 by club; second, \$3 by Woodson bank; third, \$1 by G. E. Grimsley.
Best lady rider—Won by Edna Meredith, Franklin. Prize \$1 by J. W. McAllister.
Best saddle horse, mare or gelding—Won by Edna Meredith, Franklin. Prize, sleeve buttons by Dennis Schram.
Tug of war between Morgan and Scott counties—Won by Morgan county. Prize box cigars, R. T. Cassell.
Best roadster team—Won by Sam Challiner, Joy Prairie; second, John Wilkinson, Woodson; third, Frank Voltsmeier, Clements. Prizes, first, \$5 by club; second, \$3 by Woodson State bank; third, box cigars, Jack Steinhmetz.
Best lady driver—Won by Miss Stella Seymour; second, Miss Edna Meredith. Prizes, first, clock, Russell & Lyon; second, 50c by Ray Baxter.
Free-for-all single drivers, special—Won by Spec Woods; second, Howard Rawlings; third, John Wilkinson. Prizes, first \$5, second \$3 and third \$2.
The Watermelon Club.

As noted above this was the nineteenth annual picnic given by the club, which is an incorporated organization. A permanent fund has been established and will be utilized eventually in the purchase of a park for the use of the club members and the people of Woodson generally. Any citizen of good standing is entitled to membership in the club, although nearly all of the present members live in the immediate neighborhood of Woodson. The club's affairs are well managed and it is an organization which does credit to Woodson and the county. The members are as follows:

Diarrhoea Quickly Cured.
"I was taken with diarrhoea and Mr. Yorks, the merchant here, persuaded me to try a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. After taking one dose of it I was cured. It also cured those of it I gave it to," writes M. E. Gebhart, Oriole, Pa. That is not at all unusual. An ordinary attack of diarrhoea can almost invariably be cured by one or two doses of this remedy. It is one of the most successful preparations that have been discovered. Thousands have testified to its value. For sale by all dealers. Adv.

QUICK RELIEF

FOR RHEUMATISM.
George W. Koon, Lawton, Mich., says: "Dr. Detchon's Relief for Rheumatism has given my wife wonderful benefit for rheumatism. She could not lift hand or foot, had to be lifted for two months. She began the use of the remedy and improved rapidly. On Monday she could not move and on Wednesday she got up, dressed herself and walked out for breakfast." Sold by L. P. Alcott, druggist—Adv.

FUNNY CLOWNS COME WITH YANKEE ROBINSON SHOWS.

More Than Twenty-five in Troupe of Entertainers—All Kinds Represented.

The circus clown dates his origin back to the beginning of the circus itself, and from time immemorial he has been one of the most important features. During the growth and development he has by no means been left behind. He is funnier now and can do more tricks than ever before. In the old days one clown sufficed to satisfy the demand for the show-goers, but now it takes 25 for the Yankee Robinson Shows. Nowadays the clown who could not do anything but grin and drive a donkey that played a tattoo with his hind heels on the dashboard of a little cart could not get a job. He must be versatile or look for another position.

It is the rough and tumble and apparently furious abusive acts, knocks and slaps of the clown that invariably create the most laughter. The more they knock, pound and beat and club each other over the head, face or back, the more pleasing it seems to be.

It has been one of the best cures on the road for years, but what would its vast array of circus talent amount to if it were not for the tireless work of the funny fellows? The presence of the clowns is essential. The burlesque clowns, the rube clowns, the graceful clown, contingent of more than 25 with the Yankee Robinson Shows.

Without the clown, the petite, pretty equestrian could not have his brief visit, the acrobats could not get their second breath, and the musicians could not catch a moment's rest. Originally, a "fillin'" to cheapen the salary list and to serve the above purposes, the circus fools feature with a circus and command liberal salaries. All the clowns will be here with the big shows on Monday.

TRUSTEE IN BANKRUPTCY'S SALE OF REAL ESTATE.
In the District Court of the United States, for the Southern District of Illinois, Southern Division.
In the matter of Katherine M. Dwyer, Bankrupt in Bankruptcy No. 1960.

By order of the District Court of the United States for the Southern District of Illinois, I, Edgar E. Crabtree, trustee of Katherine M. Dwyer, bankrupt in bankruptcy, on Tuesday Sept. 9th, 1913, will sell at public auction to the highest and better bidder at Bluffs, Scott county, Illinois, between the hours of 9 o'clock a. m. and 4 o'clock p. m., on said day, the following described real estate, being of the estate of said bankrupt, to-wit:

The southeast quarter of section 1 in township 15 north and range 13 west of the third principal meridian, containing 160 acres, more or less, situated in the county of Scott and State of Illinois. A complete abstract of title will be furnished together with trustee's deed, conveying title to said premises. The above real estate consists of a splendid stock and grain farm located about two and one-half miles from Bluffs, and near the same distance from Neeleville, Ill. It is splendidly located, being near Morgan and Scott county lines and within three-quarters of a mile of a public school and about one and one-half miles from a German Lutheran church and in a splendid neighborhood.

This is a very desirable farm. The title of the trustee in and to the same has been settled by a decision of the supreme court of the state of Illinois, so no question can arise as to the title, now or hereafter.

Terms of sale: 10 per cent cash deposit on the day of sale. The balance to be paid in cash within 10 days and after the approval of said sale by the court, on tender of trustee's deed thereto.

The title to this property is fully transferable by the deed of the trustee, there being no equity of redemption or claim of any kind existing as to the grantee under the trustee's deed.

The sale will probably be had at about the hour of 1:30 o'clock p. m. of said date near the corner on which the bank is located in the town of Bluffs, Ill.

This farm is well known as "the John Knoepfel farm." Possession given March 1, 1914.

Edgar E. Crabtree,
Trustee in Bankruptcy of Katherine M. Dwyer, Bankrupt.
William M. Hargrove, Attorney for Trustee.

MORE REAL BARGAINS THAN EVER BEFORE IN MEN'S SHIRTS ARE OFFERED BY FRANK BYRNS' HAT STORE THIS WEEK. \$1.00 VALUES FOR 73C.

TO BE SENTENCED FOR DYNAMITING.

San Jose, Cal., Aug. 27.—When Walter Thomas of Redwood City, who recently pleaded guilty to a charge of maliciously destroying the property of the Pacific Gas and Electric company, is arraigned in court tomorrow for sentence, a strong effort will be made to have him released on probation. Thomas was a lineman employed by the gas and electric company and was among those who went out on a general strike some time ago. During the strike he was arrested by Pinkerton men on a charge of having dynamited some of the company's power poles. He pleaded guilty to the charge.

WILL FATTEN BIG BUNCH OF WESTERN FEEDERS

A. A. Curry Buying in Kansas City Market—Successful Cattle Man Talks of Methods—Immunized Hogs Now Offered Farmers.

A. A. Curry, vice president of the Jacksonville National bank, left last night for Kansas City, where he expects to purchase 200 head of feeding cattle. For a number of years Mr. Curry has made it a practice to buy feeders in Omaha, but this time he will try the Kansas City market. Mr. Curry now has 120 head which have been on grass for several weeks and the ones he will buy on this trip will also be put on grass until the new crop of corn is ready. His custom is to cut the corn before it is fully matured and to feed the corn and fodder both to his cattle. He has figured that in this manner he gets more out of his corn than would be the case if he simply fed the ears after they had been shucked. His plan is to put his cattle on about three months of full feed and to finish them for the market quickly. In following this plan he picks out feeders that are in pretty good condition.

Patterning Feeders on Grass.
In talking about cattle and cattle feeding and in answer to several questions, Mr. Curry said: "I am shipping two loads of cattle to the Chicago market today. They were bought in February and weighed 780 pounds, and now they weigh 1,100 pounds. They have had nothing but grass and so the increase in flesh has been pretty good for a year, when pastures are so dry. I have had cattle up on 500 pounds with nothing but grass. As you know the early months of the spring and summer and the late fall months are the best for pastures and cattle do better during such months. August is not a good time for fattening, because of the heat and because of the flies."

"In feeding cattle we, of course, keep a large number of hogs, raising some and buying others. Just now the number of hogs is smaller than we like to have, but it is impossible to keep exactly the number that we want. I have an order in now for several hundred hogs to be shipped from Kansas. The number of hogs which will go with a bunch of cattle depends of course on the way the cattle are being fed. If cattle are on full feed we purpose to have two hogs for each steer."

Immunized Hogs.
"Talking about hogs reminds me that I recently visited a plant near Kansas City, where they immunize hogs from cholera. About 4,000 hogs are kept constantly on hand and they are purchased from all kinds of localities and under all sorts of conditions. The firm treats the hogs with the serum which is used to prevent and cure cholera and also injects into them blood from hogs which have cholera, at a certain stage. This process, it is claimed, makes the hogs immune from further attacks of the disease and the firm sells them with a guarantee that the animals will not contract the disease. By this guarantee they are able to sell their product at prices about \$1 per hundred above the market and they make shipments to all parts of the country."
"The firm has a contract with Kansas City for all the city garbage and twenty-two teams are constantly employed hauling the stuff out to where the hogs are fed. Of course, not all the hogs handled are of stock size and a great many are finished for the markets and every day some are ready for butchering and are hauled from the yards into Kansas City."

The Chicago Market.
"As I said, I buy in Kansas City or Omaha, but I always market cattle in Chicago, because I find that the most satisfactory place. Aside from the big packers' buyers there, agents representing butchers from Pennsylvania and other eastern states are always on hand looking for suitable stock to ship to their patrons in the east. So because of the number of buyers Chicago has a steadier and more dependable market and in my opinion it is not subject to the fluctuations which happen in St. Louis."

WILL ATTACK GOOD ROADS BILL

Central Illinois Farmers Plan Suit This Week to Test Constitutionality of Tice Measure.

Bloomington, Ill., Aug. 27.—Central Illinois farmers opposed the Tice good roads bill have engaged attorneys and will file suit this week attacking the constitutionality of the measure. MORTUARY

Frost.

Paul Frost of Hillsboro, Ill., a patient at the Jacksonville State hospital, died Wednesday morning. He was 27 years of age and was superintendent of an ice plant at Hillsboro. The remains were prepared for burial at O'Donnell's undertaking parlors and from there sent to Hillsboro.

Lewis.

"Aunt" Jane Lewis, aged 87 years, died at her home, 221 South East street Wednesday night at 10 o'clock after an illness of ten months. Death was attributed to ailments incident to old age.

Miss Lewis was born in West Virginia August 11, 1826, and has resided in Jacksonville for the past thirty-eight years. She was a member of Centenary M. E. church and was a woman highly esteemed by a wide circle of friends. She is survived by two sisters, Mrs. Lizzie McEvers and Miss Pearl Lewis of this city.

Arrangements for the funeral have not been made.

VanHouten.

M. VanHouten of South Main street received word Wednesday of the death of his sister, Miss Mary VanHouten of Jersey City, New Jersey. Miss VanHouten will be remembered by many Jacksonville people as a resident of the city in the early 90's. She was born in 1853 in New Jersey and came to Illinois with her parents, Mr. and Mrs. John L. VanHouten, in 1865. Besides Mortimer VanHouten of this city she is survived by a brother, Edward of Clay county, Texas and a sister, Mrs. Josie Gale, also of New Jersey. She was a member of the Christian church. Mr. VanHouten finds it impossible to leave the city at this time to attend the funeral which will be held in Jersey City.

Frank W. Rucker of Independence, Mo., was in the city Wednesday to attend the marriage of his brother, Herbert. Since his graduation from the School of Journalism at Columbia, Mo., last June he has held a position as field manager of the Jackson Examiner of Independence. He will leave this morning to resume his duties on the Examiner.

HAS POSITION IN NEBRASKA.

Ralph W. Davis of South Diamond street expects to go tomorrow to Franklin, Neb., to take his position as head of the science department of Franklin academy at Franklin, Nebraska. This is Mr. Davis' second year at Franklin.

ENTRIES CLOSE TODAY.

Noon today is the time of closing the entries for the show to be given at the chautauqua by the Morcan County Poultry association. Mr. Heinlich will judge the poultry tomorrow and ribbons will be awarded the ranking birds.

FARWELL & RHINES' Gluten Flour

Permit a few words of explanation and precaution for our mutual advantage.

The pure food laws of the United States and of individual states demand that flour called "Gluten Flour" for the use of diabetics, and others, shall contain at least 5.6 per cent of nitrogen, this factor multiplied by the factor 6.25 (in use by Analysis) shows the amount of protein or gluten required, to be 35 per cent. Both the physician and his diabetic patient have a right to expect and insist that such a product be furnished. Substitution, carelessness or deception in this matter are dangerous.

Our "Gluten Flour" of superior stock, granulation and manufacture, is made especially for such cases, and contains about 49 per cent of gluten or protein. It is not excelled, if equalled in America or Europe, as diet in marked cases of diabetes mellitus, obesity, rheumatism and other ills arising from excess of uric acid.

MRS. TROUT TO SPEAK.

Will Give Address at Chautauqua Friday.

Mrs. Grace Wilbur Trout, state president of the Illinois Equal Suffrage association, will be one of the speakers on the program for the chautauqua assembly the evening of Aug. 29. She will speak on "Suffrage and the Important Factor That the New Voters Will be in the Future Elections of Illinois."

Mrs. Trout is a brilliant and cultured speaker. Her recent successful campaign before the Illinois legislature has given to the lecture platform a new and forceful speaker who will be an added attraction on any chautauqua or lecture program.

She represents a new force in Illinois politics, and her work is always clever and brilliant. She attracts by force of her charming personality, and is today one of the most powerful leaders of the women of Illinois.

The people of Morgan county may expect a great treat in hearing this wonderful woman. Mrs. Trout will be the guest of Dr. Grace Dewey while in the city.

Men's negligee SHIRTS, pleated or French cuffs, collars attached or detached, all sizes, 14 to 18, at greatly reduced prices at FRANK BYRNS' Hat Store.

MISS HAZEL GLEEN

WEDS MR. H. J. RUCKER

Ceremony Performed at Home of Bride's Parents by Rev. C. R. Morrison—Will Reside in Geneseo, Ill.

Miss Hazel Glenn and Mr. Herbert J. Rucker were married at 8 o'clock Wednesday night at the home of the bride's parents, Mr. and Mrs. George R. Glenn of 925 South Main street. The ceremony was performed by the Rev. C. R. Morrison, pastor of the Methodist church at Oakland, Ill., and a former pastor of Brooklyn Church, this city. Only members of the immediate families attended.

The home was beautifully decorated and the throats were plighted before an arch of green foliage, the ring ceremony being used.

The bride is the youngest daughter of Mr. and Mrs. Glenn and has spent all her life in this city, where she has many friends who will extend hearty congratulations.

Mr. Rucker was graduated in June from the College of Agriculture of the University of Illinois. He received his degree from Illinois college in 1911. He has been elected instructor in agriculture at Geneseo Collegiate Institute, Geneseo, Ill., and the young people will depart next week to make their home in that city.

Those from out of the city to attend the wedding were Dr. and Mrs. C. I. Glenn of Franklin, Misses Rose and Golden Rucker and Frank W. Rucker of Independence, Mo.
